What is Crystal Meth Anonymous?

Crystal Meth Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, so they may solve their common problem and help others to recover from addiction to crystal meth. The only requirement for membership is a desire to stop using. There are no dues or fees for CMA membership; we are self-supporting through our own contributions. CMA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; and neither endorses nor opposes any causes. Our primary purpose is to lead a sober life and carry the message of recovery to the crystal meth addict who still suffers.†
